The Mission of the DAV Charitable Service Trust

By supporting the DAV Charitable Service Trust, you help to fulfill a focused and noble purpose: empowering veterans to lead high-quality lives with respect and dignity. To carry out this responsibility, the Trust supports physical and psychological rehabilitation programs, enhances research and mobility for veterans with amputations and spinal cord injuries, benefits aging veterans, aids and shelters homeless veterans, and addresses the needs of veterans returning from recent combat service.

Your support of the Trust helps maintain a number of national and local rehabilitative programs to help veterans cope with service-connected injuries and lead more fulfilling lives. We recognize the challenges veterans face and aim to make much-needed services available to help them overcome those obstacles.

Trust programs target several groups of physically and psychologically injured veterans. Key programs include:

Therapeutic Programs
The Trust ensures that physical and mental therapy programs are available, enabling veterans with very extensive injuries to live high-quality lives with respect and dignity.

Homeless Veterans Initiatives
The Trust promotes the development of supportive housing and necessary services to assist veterans experiencing homelessness in becoming productive, self-sufficient members of society through its support of programs that provide food and shelter to those in need. Veterans are also connected with essential medical care, benefits counseling, and employment services.

Rehabilitation Programs
Blindness, amputation and other severe disabilities require specialized rehabilitation. A gift to the Trust supports rehabilitation initiatives aimed at some of America’s most profoundly injured veterans—programs that may not be supported, or fully supported by the government.
DAV Transportation Network
The Trust helps maintain a volunteer-operated, nationwide transportation network that provides, no-cost rides for ill and injured veterans who need transportation to Department of Veterans Affairs (VA) medical centers and clinics.

Generation Follows Generation
Advancements in body armor and battlefield medicine has saved so many lives in Afghanistan and Iraq, yet many of the wounded need care never imagined by previous generations of veterans. At the same time, veterans of previous conflicts are aging, and the impact of service-connected medical conditions worsens as the years go by. Issues such as Agent Orange and Gulf War Syndrome require our nation to meet its obligations to its brave defenders.

More than 95 cents out of every dollar donated directly supports programs that help veterans and their families.
Ways to Give

As you give to the DAV Charitable Service Trust, you stand up for our nation’s heroes. You support creative and innovative efforts to empower our ill and injured veterans, as well as their families, to live their fullest lives. You make sure our wounded receive our sincere gratitude—now and in the years to come. After all, standing up for veterans is the right thing to do.

Make a gift through the Combined Federal Campaign (CFC), United Way, state and corporate workplace campaigns or through your employee matching gift program.

Federal employees can find us in the CFC brochure under Military Family and Veterans Service Organizations of America or on the online CFC Donor Pledging system at cfcgiving.opm.gov. You can search for the Trust by name or CFC Code #11322.

Encourage your friends and co-workers to support us!
Honor the sacrifices of disabled veterans through:

- Physical rehabilitation.
- Therapeutic initiatives.
- Volunteer transportation network.
- Food, shelter, counseling, and job training for homeless veterans.
- And so much more.
